Dated, the 3<sup>rd</sup> Nov., 2004

**Office Order No. 69/11/04**

**Subject:- Turnkey contracts for net-working of computer systems.**

The Commission has been receiving complaints that in turnkey contracts for net-working of computer systems a lot of unrelated products are being included in the contracts which are either not required or which are stand alone in nature and can be procured separately at much lower cost. Inclusion of these unrelated items creates opportunities for malpractices. The Commission is of the view that wherever possible it will be advisable to take an independent third party view about the scope of turnkey projects so that the tendency to include unrelated products as part of the turnkey project is avoided.
